It helps you navigate the workplace, the neighborhood, and the social scene. It offers crucial insights into Swiss business culture, and more generally on differences in communication style. Swiss people are not always easy to get to know. Proud, industrious, fair-minded, and creative, they respect the individual, which means that while they appreciate clear thinking and direct talking, they avoid confrontation. They will never intrude, yet will willingly help out if asked. Make the effort, and people will respond....
